Over 300M
app downloads

We're the leading developer of rewarded mobile loyalty platforms.

Founded in 2015 in Hamburg, Germany, our apps allow users **to play top games and earn real cash, gift cards, and vouchers**—all for free.

With over 300 million lifetime downloads in 100+ countries and over \$50 million in rewards given to date, our mission is simple: **build the best rewarded mobile loyalty platforms and turn them into a store category of their own.**
